Company Name: Memorial Hermann Prevention and Recovery Center (PaRC)

Center Quote: Building Recovery One Life at a Time

Personal Information:

About Me: The Memorial Hermann Prevention and Recovery Center (PaRC) is a nationally recognized dual-diagnosis treatment facility that offers chemical dependency treatment for adults. The PaRC is currently in the process of implementing an adolescent program; this program is slated to begin at the end of August 2008. Committed to assisting persons battling and adversely affected by alcohol and substance abuse, PaRC offers cutting edge treatment that includes a 12-step abstinence model to target the disease of addiction by focusing on the bio-psycho-social-spiritual facets of life. PaRC staff includes a medical director certified by the American Society of Addiction Medicine, and a dedicated team of physicians, psychiatrists, nurses, licensed chemical dependency counselors, therapists and patient care assistants.

Facility Description: The PaRC is graced with features such as a large dining hall, convenient medical examination rooms, and ample group meeting rooms. Our beautiful patient bedrooms include individual desk space, wardrobe space and private bathrooms. Residents also have access to a game room, several lounges and a state of the art fitness room, with fitness machines and flat-screen televisions.
