Center Quote: Addictions treatment can be a journey of self-discovery. Come discover a place that is unlike anywhere youve ever been, with an approach to alcohol and drug addictions treatment that is unlike any that youve ever tried. Its a place where you will rebuild yourself as the person you want to be and create the addiction-free life you want to live

Personal Information:

About Me: The philosophy behind the Desert Canyon program is that each person has the ability to heal addictions to drugs and alcohol and become whole and balanced in the right supportive environment. With assistance, you can learn to let go of the feelings and patterns that lead to relapse, and learn how to create the life that you want for yourself, free of addictions. We will focus on helping you design and create the addiction-free life that you want with our comprehensive, holistic program. You'll rebalance on all levels of life: mental, emotional, social, physical and spiritual and establish a new way of living that is more deeply satisfying than ever. The non-12 Step addictions rehab program at Desert Canyon brings together a selection of proven drug and alcohol treatment methods and systems that work together synergistically to heal the body and mind and to create a long-term commitment to abstinence from addictions. It can give you the skills and confidence you need to handle life and its challenges, as well as the motivation and ability to remain free from drugs and alcohol.

Facility Description: Located in the beautiful, healing environment of Sedona, Arizona, Desert Canyon Treatment Center provides an effective non 12-Step rehab program to help people end their abuse or addiction to alcohol, drugs and prescription medications. With a focus on the individual, our unique drug and alcohol rehab program helps people improve self-esteem and self-worth, heal core traumas, learn life skills and gain control over addictive patterns. Its small home-like facility provides an abundance of individualized care while providing the support, insight, skill and healing to build a successful, satisfying life that is free from addiction.

Treatment Philosophy Statement: We successfully treat dependency and abuse of alcohol, meth, cocaine and other stimulants, marijuana, heroin, and prescription drugs including narcotics and benzodiazapine (benzos), with our holistic, non 12-Step rehab program.
