Company Information:

Company Name: Choices Adolescent Treatment Center, Inc.

Center Quote: Choices residential treatment program focuses on adolescents which abuse substances and addresses related psychiatric disorders. The treatment plan is related to the developmental coping skills of the adolescent, some of which will be taught for the first time. With proper treatment of concurrent emotional and behavioral problems, chemically abusing or dependent adolescents can resume productive lives free of all mind altering substances, continue in their growth process and effectively address their developmental task

Personal Information:

About Me: Adolescent services are designed to achieve permanent changes in an adolescent's life. To accomplish this, Choices addresses major developmental, lifestyle, attitudinal and behavioral issues which can undermine the goals of treatment or inhibit the individual's ability to cope with major life or developmental tasks without the non-medical use of psychoactive substances. Treatment plans are individualized based on comprehensive assessment results. Goals are addressed and implemented in therapeutic modalities utilizing; individual, group, and family counseling.

Facility Description: Choices is located on an 88-acre campus. The center is surrounded by a natural country atmosphere including a pond and scenic meadows.

Treatment Philosophy Statement: Choices Treatment is designed to meet the essential requirements for healthy adolescent development
